T/N. Why translated the title ちっちゃい中国と日本の話"Ch... "Chocha" meaning both China and Japan actually "Chocha" le... but in this case it would be a bit confusing. So that's why

Young China
Hm~ Everyday my body aches because of the political struggles everywhere, aru
Oh, there is a strange kid over there, aru.
You must have had a lot of trouble being born in such a small place, aru.
Wow, you're a new nation, aren't you, aru? So tiny, aru.
I'm China, aru. If there's something you don't know, just ask me.
What's your name, aru?
Th... this kid is so rude aru!
Hello China-san upon where the sun sets I am Japan.

T/N Hiragana is Japanese syllabary characters t eginate aracters

After that, Japan was growing up smoothly, oru
Aiye~ That's great aru!
Mechanical doll
Mm
Japan it's great that you're growing up so fast aru
Now I can hold my head up high too, aru... Oh!
Tashi delek
Tibet! You came at the right time. Let me introduce you aru. This is Japan aru!
Are you relaxed?
My pleasure
That's right aru! He's my little brother I can boast of aru!
No, that's not true
Ah
Don't deny it, aru!

Tashi delek is a Tibetan greeting. It means something like "hello" or "good luck"

By the way what are you planning to do for the future aru?
Eh in the future? Let s see
I want to become stronger In time Western powers are probably going to come to Asia
I plan to fight at any cost when that time comes
I can t understand such a difficult thing aru! Put it more briefly!
Ah how you re making me long for another Keichou no eki
Ah Japan the rabbit on the moon is making medical herbs aru!
It s pounding rice cakes

T/N Keichou no E ... ook place from 1597 to 98 ... s ... ic ... nd Japanese invasion of Korea and Japan fought against ... ne ... army ... D ... P ... ease see here

Ah Japan
What are you doing at this late of night, aru?
I have just made Zongzi aru. Come in
Eh?
Why are you holding such a dangerous thing aru? It's dangerous a
W... why are you pointing it at me aru!
Japan! Stop it aru!
Wa... what are you...
Gyaa, aaa!

Sob Sob
War has really changed Japan, aru... Women is not Japan any more, aru... I don't like it, aru...
...So, China, did you ever ask Japan what's been on his mind?
Soon after that, the war began and I haven't even seen him since, aru.
Both of you might still be enemies at this moment...
Russia...
But you shouldn't worry. You two will definitely get along well with each other again.
After all, in the next several years everyone will be fine with Russia, right?
Shudder

I was told that China had been considering Japan as his younger brother until he was attacked so the shock of it caused China to hold an obstinate grudge against Japan I thought it was kind of cute so I made a comic about it

So this is the story of China and teensy Japan

As for the reasons why Japan took off to fight, try searching on the internet for details
Oh Japan, how heartrending。(Д `)
And so, they ended up unable to understand each other
How cruel history could be
